## **ROURKIE'S**

Cat and Fiddle 55-mile **Cycle Challenge** 

Sunday **11th October** 2015

## Sponsorship Form

All donations on this form will go to Cystic Fibrosis Care.

visit: www.catandfiddle.org

We first started the ride as a friend of Jason, Brian (and all at Rourkie's) had a son born with Cystic Fibrosis. We hoped to raise a few hundred pounds, yet since the challenge was started in 2002, it has raised well over £600,000 for Cystic Fibrosis. We would like to thank all people and many invaluable volunteers that have helped run the event. We are also very grateful to every cyclist who has taken part in the event and, in doing so, has helped to contribute to supporting families and finding a cure for CF.

Thank you from Cystic Fibrosis Care and Brian Rowke Cycles for your support!
